Specifications

The **Maria** series is designed for modern working environments. **Maria** incorporates aesthetics and ergonomics that provide maximum performance and comfort.

Their modern appearance and confident character give these chairs an executive appeal. These chairs can be used for office desks, conference rooms and other formal settings.

Backrest

A medium back chair with PU foam back with fabric and leatherite variants for upholstery. The backrest angle is designed to provide additional lumbar support.

Armrest

With adjustable height, width, depth and swivel angle.

Gaslift

Pneumatic height adjustment of 70 mm

Base

A 320 mm studio base allows extra clearance for feet movement. This standard base is moulded with black nylon.

Seat

Seat cushions with water fall edge provides comfortable seating during working hours.

Mechanism

Synchronized mechanism with multiple locking positions enabling ergonomic comfort and control.
